

Shawnee Ind. Dec. 11. 1867
Messrs Graham Rogers Chas.
Tucker and Matt King

Gentlemen—

It is the wish of our Tribe
that the Agency be move^d
from Desoto to the Town
of Shawnee it being a more
central point of the population
of our Tribe and more
and of better access both
by mail and people at
any time of the year
and would be less expensive
to the members of our tribe
in attending to any business
with the Agent Also less
expense and much nearer
to the home of the Interpreter

George Daugherty

And all Councilors and members
present in all 41 members of our Tribe
