him

Rec'd Sept 18, '69

Land 178

Baldwin City Kan
Sept 13rd

Hon Eli S. Parker
Commissioner

I have received
your letter of the 10th ultimo to
answer my letter of the 2nd of
the ultimo in regard to my claim
SE 1/4 Sec 24 Town 14 Range 20
You gave me no encouragement to
get that land that Land Speculator
had bought that land of Nancy
Tiblow (Shawnee Indian) I thought
to had chance to buy it first
but I did not know any thing before
on account of my Deafness - The
speculator succeeded in robbing
of my home after long seven years
I have worked so hard on my claim
in hoping of getting home - but I
am greatly disappointed

M245

If you or the Secretary of Interior
think that I cannot get this land
where I live now - Please let me
know so that I will arrange it
Hoping to hear from you once more
Respectfully yours
B. R. Nordyke
