Shawnee Agency

1864

Graham Rogers,

We Charles Blumhardt &
the two Chiefs of the Shawnee Tribe of
Indians, within said Agency, in the
State of Kansas, do hereby certify that
Pharisee Spybuck, mentioned in the
accompanying deed, is the sole heir
of Peggy Spybuck to whom the land in said
deed was originally granted by Patent No
273, that the said Pharisee Spybuck is
a minor and incompetent to manage
her affairs, or to dispose of her property.

But that Almira Andrews, ^{her guardian} the
guardian mentioned in the accompanying
deed is competent to manage the
affairs of the said ward, and to dis-
pose of her property. And we further
certify that said land yields nothing, &
is daily depreciating in value, while
the said minor has no personal estate
with which to maintain herself, and
that we think it advisable that the land
should be sold.

a Shawnee Indian, was duly explained to
and fully understood by the said grantor.

That the consideration specified therein
is a fair price for the land, that the same
