Sir. I.

Wish to call your attention to
a conveyance made from
Tha-Tha-gua-see-a Shawnee
Indian - To George Dougherty
also a Shawnee Indian - For the
following Land To wit - The
South half of the N.W. quarter of
Section nine - the N.W. 1/2 of
the S.W. quarter of Section nine
also the S.W. quarter of the S.W.
Quarter of section nine Town
ship 12 - Range 24 - East of
of the 6th principal meridian
in Johnson County Kansas
Containing Two Hundred Acres.
Tha-Tha-gua see has made

the conveyance as the only
heir to the Estate of Lah Le Kah
Deceased - I will state that there
are several heirs to the Estate -
And George Daugherty knew
this to be the fact - But he -
(Daugherty) being a member of
the Shawnee Council - induced
Tha tha qua see to make this
conveyance - by threats of great
punishment - and she being
actuated by fear made the deed
above referred to - The Head
Chief - Graham Rogers - who is
at present in your City - refused
to sign a certificate - certifying
that she was the only heir of the
~~Estate~~ Estate of Lah-Le-Kah - Deceased
I am fully satisfied the Deed has
been sent to Washington for the
approval of the Secretary - But
do make a solemn protest
against the approval of said

Deeds - for the following
Reasons -

1st - There was not one Dollar
paid for ^{the} Lane -
Land

There are several Heirs to the
Estate who would be defrauded
by the approval of the same -
3rd

Said conveyance was made
through fear of great punish-
ment - and bodily harm - ~~and~~
hoping this will prevent the app-
roval of said Deed - I will wait
for orders how to proceed in
the matter.

I am Sir with great
Respect yours Truly
Charles B. Blewett

P.S. The Deed above mentioned
was made during the Summer
of 1867 - C. B.
