Feb 16th 1869.

To the Secretary of Interior  
Washington D. C.

Dear Sir

Sometime in the summer or fall of the year 1867 Eli Blackhawk a Shawnee Indian, made a deed to J. C. Williamson for 100 acres of land, to wit, The south half of South East Quarter of Section 14, also 20 acres off the North part of North East Quarter of Section 23, Township 12, Range 24 East of 6th principal Meridian in Kansas - this deed was approved by the Shawnee Indian Agent and he informed me that he had sent it on to Washington City to be approved of by the Sec of Interior.

We learn that the same <sup>deed</sup> has been very recently approved by that Department, perhaps within two months. Mr Williamson has not received the deed, and he desires a copy of the same and encloses \$2 to pay for said copy, will you be kind enough to forward it immediately and oblige

Yours very respectfully

James D. Allen for  
J. C. Williamson

P.S.

Be kind enough to attend to this matter forthwith.
