

Lawrence Kansas Aug 3/67.

Hon. A. G. Taylor
Commr of Indian Affairs
Washington D.C.

Dear Sir:

Accompanying

I send doc of Nancy Henry to Joseph Shields for approval. The requirements of the department have been complied with, I believe, and as the land has been largely improved by Shields, you would confer a great favor, if you can by an early return upon the doc relieve him from anxiety as to his title.

I refer you to Hon E. G. Ross of the Senate as to the character of Shields if anything more than accompanying papers are required by you.

Hoping that you may find it convenient to give early attention to the above matter

I am Very Truly

Saml A. Riggs
