Sir

Your letter to Paul R Brooks in
Answer to one I caused him to write in
regard to a deed from Genl Jackson
Rogers to me came to hand.

In reply have to say Mr Brooks conveys to
you an impression that I have paid for
the approval of my deed. such is not the
fact. I paid only for the making
of the papers to the Conveyancer
Hon Jas B. Abbott. the usual fee. Hoping
every thing is satisfactorily explained
