Sir

I herewith return for the approval  
of the Secretary the deed of conveyance  
of William R. Boasmon a line. Boasmon  
with my own sworn certificate as to  
the two names representing or being  
one and the same person.

In your letter of the 13<sup>th</sup> inst  
transmitting said deed for correc-  
tion you require the certificate  
of the Chiefs or Agent setting forth  
that they are one and the same  
person. The Chiefs are absent in  
the Cherokee Country and are not  
expected home for some weeks. But  
on their return will bring the matter

before them for their consideration  
and action and will then send  
on their decision. So if my  
certificate is deemed insufficient  
respectfully ask that no adverse dis-  
cussion be had untill the Chiefs  
certificates shall arrive.

Mr Boshman is not in the  
country and Agent Roberts not being  
acquainted with him could not  
consistently give the certificate  
required.

Very Respectfully  
Your Obt. Servt.

Hon. E. S. Parker
