

Shawnee Ind Agency Osage Kansas

11th Mo 26th 1869

In reply to the Inquiry of the Indian
office relative to Loh-ee-kee a member of the
Shawnee Tribe of Indians to whom a patent was
issued in 1864 for two hundred ^{acres} of land in said
Shawnee reservation,

I may say that Loh-ee-kee is not living
no record has been kept of the date of his Death,
but the most prevalent opinion of ^{the} Shawnees
is, that it occurred about eight years since

Respectfully
