Sir

I have the honor to here  
with transmit for the approval  
of the Secretary of the Interior  
two deeds of conveyance executed  
by Delilah Buck Harris, one to  
Charles S. Slick and one to  
James T. Johnson,

The parties in interest and  
their Attorneys supposed at  
the time said deeds were executed,  
that a deed executed by  
said grantor in accordance with  
the Statutes of Kansas, would con-  
vey the title, from the fact that  
the grantor was a white woman.

and never recognised, a member  
of the tribe of Shawnees. —

Very soon after said duels  
were executed said Delilah  
Buck Harris left the country and  
is supposed to be in some  
portion of the Conatties but the  
exact locality is not known by  
the frontiers. —

Your Early consideration and  
action is earnestly requested.

Very Respectfully  
Yours Obedt. Servt  
Jas B. Webb
