Kansas City, Mo June 6. 1868.

Mr Hon Charles E. Mix

Acting Commissioner &c.

We received your letter of 1st May, some time since, stating that you had returned the Deed (made by Graham Rogers Shawnee Indian to Henry Lopic) to Mr. Rogers on the 18th of April, together with a letter explaining why the correction in the spelling of Lopic could not be made in your office. Said Deed has not been received and Mr. Rogers requests that you send, to our care, a certified copy of it.

Please state how the letter of 18th Apr. was addressed -

Yours
