Hon^{ble} S Parker
Com^{rs} of Indian Affairs

Dear Sir

I address this letter
to know if there has ever been a Deed presented
at the Department for approval to the following
described land to wit the $\frac{1}{2}$ of the $\frac{1}{2}$ of Sect
26 Town 13 Range 21 And the $\frac{1}{2}$ of the $\frac{1}{2}$ of ~~Sect~~ the
Sect 23 Town 13 Range 21

{ The $\frac{1}{2}$ of $\frac{1}{2}$ of $\frac{1}{2}$ of Sect 26 T13 R21 }
{ And $\frac{1}{2}$ of the $\frac{1}{2}$ of Sect 23 T13 R21 } This Land
was Deeded by Anne & Walton and Joseph
Walton to me on the 9th day of February AD 1866
And I understand they have sold the Land to
other parties - through the influence of parties here
connected with the Agency of the Shawnees. Enclosed
find a copy of a letter setting forth the reasons in part
of Mr Walton wanting to sell the land at that time and
the reason of my buying it at that time also -

M^{rs} Walton States to me that she was deceived
when she made the last deed thinking it was other
land, she was selling. now I protest against the appur-
of the deed to any other party save myself having paid
\$300 per acre for said land at above date Now Sir
will you please answer this note, and state the condi-
tion of the land that I may have the privilege of
showing by this Woman that she was entirely deceived
when she made deed to this land since the Execution
of a deed to me when I hear from you I will
send you my deed from her. and any other
^{evidence} that you desire please give me the necessary
instructions, and very much oblige yours

Respectfully,
Address J³ William Cook
