Sir

I filed in Your office on the 11<sup>th</sup> instant a deed of Emoyance, (with accompanying papers) from James Ironside a Shawnee Indian, to Annie M Taylor, with request that You transmit them to the Hon Secretary of the Interior, for his consideration, and approval, supposing at the time of submitting them, that no objections could be successfully urged against the approval, but I have subsequently on investigation, become satisfied that the rules of the Department, have not been strictly complied with, I therefore respectfully ask permission to withdraw them, in order that the Grantee may have an opportunity of correcting the errors with out prejudice.
