Washington City, Dec. 1st 1869.

Hon. Eli. S. Parker,
Commr. of Indian Affairs,
Sir;

I addressed letters to your Office on the 10th Dec. 1868, and 24th Jan'y. 1869, relative to a deed from Jno. Gibson, alias W^m Gibson, a Shawnee Indian, to W^m Lanostrand.

Some months since, I was informed that the papers relating to the case had been mislaid by Mr. Mix, former chief clerk of your Office, but that they would in all probability turn up, after a while.

Respectfully referring you to my previous letters, I beg to be advised whether the papers have been found, and, if so, the condition of the matter.

Very respectfully
Chas. Lloyd
