Hon Sec of the Interior
Washington D C

Sir

Enclosed please find Explanatory
Deed, Certificate, and diagram in relation to land conveyed
by Theresa Brown Shawnee Indian to Louis Vogel.

The deed from said Theresa Brown to Louis Vogel approved
by the secretary of the Interior Sept 26th 1860 evidently gives
an erroneous description. That deed describes the S $\frac{1}{2}$ of
the S E $\frac{1}{4}$ of Sec No 22 Township No 11 Range No 25. The north
half of this land described lies outside of the Shawnee
Reservation, and describes 80 acres.

The plat of the Survey describes this tract as
Lot No 2 of Sec 22 South of the Kansas River.
which tract is 61 $\frac{2}{3}$ acres corresponding to the
number of acres selected by said Theresa Brown.

Theresa Brown regarded the land as described
in the Explanatory deed as her selection and
^{deed} sold as such, and makes this Explanatory
deed accordingly. The north half described

in the deed approved Sept 26 1860 and
lying outside the Shawnee Reservation
has been patented to Silas Armstrong.

At the request of the parties interested
I respectfully ask that the enclosed
Explanatory deed may be approved
thereby correcting the errors previously
made

I am very respectfully
your Obedt servant
David Ellison
