Sir

I have the honor to request, that the Deeds made by the administrator of the Estate of Capt. Harvey deceased. to wit: one to Robt Dunn, one to James Burkshins and one to J. R. Fletcher, be returned to me without action. For the reason that the Shawnee Council much prefer to settle the Estate through and by the Chiefs under the modified Rules of the Secy of the Interior, which will be more satisfactory to all parties in interest

Very Respectfully

Your Obedt Servant
