Sir

I herewith return for approval
the deed of conveyance executed by Eliza
Bluejacket to Thomas Bluejacket (Shower
Indians) which was returned ^{to me} by my request,
in your letter of July 20th 1869.

At that time I was led to believe
that said conveyance conflicted with a
former sale made to W. G. Melvill, but
upon a full investigation of the case as
well as from the letter of Mr. Melvill
(herewith enclosed) I am of the opinion
that there is no conflict and therefore
request an early consideration and appro-
val of the deed. Very Respectfully
Hon. E. S. Parker } Your Obedt Servt
Comm. Ind. Affairs } Jas. B. Abbott
